## **FREQUENCY: Tuning In - Part 1**

PASTOR KEN VAN VLIET

### **Discussion Starters**

What surfaces in you when we begin to talk about God leading us through the still small voice? Are there fears? Confusion? Excitement? Spend some time talking about the reasons for your response.

God wants to transform you to be more like Christ and to join him in his great redemptive plan. How would your life be different if you had a humble confidence around listening and responding to God's still, small voice? Talk about what that might look like during a normal day.
